## Carpenter

### Job Description

Classic Homeworks is a design/build remodeling company that works primarily on older homes in the core part of Denver.

We are currently searching for a qualified carpenter who:

- Values hard work
- Takes pride in what they do
- Learns from their mistakes
- Cares about our customers
- Wants a long-term position with steady, year-round work, benefits and opportunities for advancement
- 3-5 years of carpentry experience REQUIRED
- Must have your own tools and truck/van
- Only those who are willing to work hard, learn, and can follow instruction need apply

Daily tasks will include, but are not limited to:

- Excavation
- Demo
- Framing
- Installing doors & windows
- Installing cabinets
- Base & case
- Precise trim skills ideal

Wage dependent on experience (plus, overtime is available) - and an excellent benefits package. We pay for these benefits because we are looking for a person who wants a long-term position where they can learn and grow. We are not looking for a 1099 that jumps around from jobsite to jobsite.

After 90 days, we will re-evaluate your work and hourly wage, and full benefits will start. We provide 100% company-paid health and dental for the employee, paid vacation, gas/truck/tool allowances, company uniform, retirement savings and more.

Room for growth for the right person who wants to work, represents our company well, and knows their way around the jobsite. Our jobs are usually 5-15 minutes from our office, which means very little travel.

If this sounds like the position for you, please email your RESUME that details your experience to [info@classichomeworks.com](mailto:info@classichomeworks.com), along with your required minimum hourly rate.

Job Type: Full-time
