- Experience with large remodeling projects such as pop tops, additions and/or new construction REQUIRED
- Superior organizational and customer service skills
- Successful experience working with and organizing sub-contractors and material suppliers
- Supervision skills for managing our staff carpenters and our team of sub-contractors
- Labor tracking and planning experience
- Effective, professional communication skills, as this position requires much interaction and decision-making with clients, sub-contractors, vendors, and other company team members
- Hands-on experience with framing, trim and finish carpentry
- Attention to details and ability to multi-task
- Knowledge of older homes a plus
- Ability to deliver project on time & on budget
- Must have your own tools, as you will be working alongside our team of carpenters
- Must have your own truck/van, with a valid driver's license
- Only those who are willing to work hard, learn, and can follow instruction need apply
- The right candidate will have a "can-do" attitude and will want to be a part of our valued team

Starting hourly wage depending on experience, plus an excellent benefits package. We pay for full benefits because we are looking for a person that wants a stable, long-term position where they can learn and grow. Full benefits start after 90 days - we provide 100% company-paid health and dental for the employee, paid vacation, gas/truck/tool allowances, retirement savings, and more.

Our jobs are usually 5-15 minutes from our office, which means very little travel between job sites.
